2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. VALLEY CITY, NORTH DAKOTA

We are proud of our consignment to the Winter Show Sale. It is our introduction of the sons of Kelburn Crusader. This is a uniformly good group of bulls, all possessing size, type, scale, ruggedness, heavy bone and good heads. They consist of Lots 11, 12, 13, and 14. Several of these bulls were shown on the summer circuit. Among their winnings were, Reserve Grand Champion bull at Grand Forks; 1st in class at Great Falls, Montana; Junior Champion and Reserve Grand at Billings, Montana; Reserve Junior Champion at Fargo, & Reserve Junior Champion at the Minnesota State Fair. Ekco Classic Crusader was in the first prize pair of yearlings at Billings, Fargo, and St. Paul. Three of the above bulls helped us to win the Premier Breeder Plaque at the Minnesota State Fair. We are also selling a daughter of Aberfeldy Sultan, Lot 15, and please note she is carrying the service of the sire of the above bulls, Kelburn Crusader. Looking at these bulls can give her new owner an indication of what he might expect of her calf. She is Bangs Vaccinated.

This year's consignment from Eldak Farms is not large in number, but is an excellent offering as far as type and pedigree is concerned. All three are sired by Aldie March Dust, the good breeding son of the prepotent Calrossie Adonis. Unfortunately we lost March Dust this year so the number of cattle that will be available by him will be limited.

Both bulls are out of Eldak Air Conqueror cows and their cows are our best producing females straight through. The heifer is out of Stella of Eldak 4th, the mother of Eldak Grand Cadet, this year's Jamestown top selling and Grand Champion bull. Look this consignment over carefully. These animals are destined to be breeding cattle.

KARLOTTA CHIEF - Is an exceptionally good bull for a 4-H project. He was Grand Champion beef bull at the Traill County Achievement Day as a young bull. Since then he has developed into a rugged, massive, breedy bull with a great set of legs, excellent head and modern beef type. His sire is getting a wonderful set of cattle for Gilbert Elken, Jr. The dam comes from Elkens good Missie family. A real bull buy here. Look him over.

HILLCREST MASTER BOY - This bull could very well be the bargain of the sale. His mother got arthritis while he was a small calf and as a result he did not get all the milk a small calf should have. But he is coming on fast now and should be up with most of the bulis by sale day. Otherwise he could have been one of the top bull.
